Our Quality Policy

We pride ourselves in giving our customers the finest quality product and service.

We are dedicated to constantly improving the effectiveness of our Quality Management System that fits under our Business Management System (BMS). In order to achieve this level of quality we are all committed to the values and rules of ISO 9001:2015, Certified Products to IECEx Scheme and ANZEx Certification Scheme.

Our Quality Objective

- *To Maintain a Quality Management System, complying with the Standard ISO 9001:2015, ISO/IEC 80079-34:2018 and MP 87.1:2008.*
- *To achieve and maintain zero to minimum returns of a non-conforming product from our customers.*
- *To achieve and maintain zero to minimum returns of any quality concerned product from our customers*
- *Continuous reduction with internal quality concerns.*

Aston Marks
